Demo Team Interest

Feb. 19, 2022, 5:42 p.m.

Hi again everyone,

Hope everyone is doing well, and excited for this reading week.

We got some exciting news for the club, which is that we are considering creating a demo team which will incorporate elements of PoomSae, tricking, and board breaking.

We have two mentors, Daniel Kim and Hogan Chen, willing to lead this potential team. However, we need to make sure we have enough interest in the team.

Below is a form to fill out so we can gauge club interest:

Once again, have a great read-in week,

Hi everyone,

Given the recent changes in provincial restrictions,

we just wanted to send out a reminder about our club's current COVID guidelines.

Until further notice, we are still requiring masks to be on at all times during practice, with the exception of water breaks.

Additionally, we ask that you all **continue to bring your CampusReady passes** to show during attendance. Please view our COVID protocol document below for more information.

TKD Club Winter Semester 2022

Jan. 2, 2022, 2:53 p.m.

Hello!

I hope everyone had a great holiday break and a Happy New Year! Today's message will be covering important information and updates as we move into the winter semester.

Practices will be resuming in-person for now at the same days and times as in the fall semester, starting on Wednesday, January 5th. However, we will be more strictly enforcing COVID precautions. The sign up method will remain the same. Membership fees will still be \$20 with a \$10 AIMS fee, and can be paid in the same way. We are currently experiencing issues that are preventing us from ordering club merchandise, so we have no updates on this front for now. For more information on any of these topics, please keep reading.

Practices and Signups

As of right now, all clubs are still permitted to operate in-person. We will be taking advantage of this and be hosting practices starting this Wednesday, January 5th, according to the same

schedule as in the fall semester. Practice days and times will be as follows:

Wednesdays 5:30-8:00pm

Fridays 7:30-10:00pm

Sundays 4:00-6:00pm

Practices will be located in the same room as in the fall semester, being ED GB-23.

In order to attend a practice, participants must sign up for a day on our [Sign Up Sheet](#). The sheet opens every Sunday at 8:00pm. Participants may only sign up ahead of time for one practice per week, however if there are still slots open on the day of a practice, they can be signed up for as well. Every participant has access to one free trial practice before membership fees must be paid. More information regarding sign ups can be found on the first page of the sheet.

In the event that restrictions tighten and we are no longer able to host in-person practices, our club will not be operating until in-person practices are once again allowed. If this happens, we will try to set up regular social events in our Discord channel to maintain the social aspect of the club. Refunds will not be offered if in-person practices are canceled due to COVID restrictions.

COVID Precautions

Towards the end of the fall semester we were becoming more lenient with regards to COVID precautions, but with the recent resurgence of cases, we will once again ask participants to abide by our [Club COVID Protocol](#). As was the case in the fall semester, CampusReady passes and photo ID will be checked prior to every practice.

Participants will be asked [COVID Screening Questions](#) before every practice. During practices we will be staggering water breaks between two groups to minimize crowd density in the hallway.

Membership Fees

Membership fees must be paid again for the winter semester. The cost will remain the same at \$20 with a separate \$10 AIMS fee. Please note that last semester we wrongly thought that AIMS fees only had to be paid once per year. We found out that this was false, and that returning members from the fall semester must pay AIMS fees again this semester. The method of payment will remain the same as in the fall semester and will work as follows:

AIMS (Club Sports Administrative)

Registration fee Ualberta Undergraduate

Students: \$10 OR Non-Ualberta students or

Graduate Students: \$36

Method of Payment: through [this registration form](#).

PLUS

Taekwondo Club Membership Fee \$20 per term
(\$20 must be paid now for the fall term; for winter

term registration, \$20 will be collected again around January).

Method of Payment: e-transfer
to crtkd@ualberta.ca.

Both your respective AIMS fee and our Club Membership fee must be paid for official Taekwondo Club membership.

Club Merchandise

Sadly, we are currently working on some internal issues that are preventing us from moving forward with club merchandise. No progress is being made right now but we will keep you updated.

And that's all for now. The fall semester was hugely successful for our club, and it was all thanks to our amazing members. We are looking forward to another great semester of hard work and lasting memories. If you have any questions regarding this email or the club in general, please do not hesitate to respond to this email. Stay safe and I hope to see you out soon!
